BAD VIBES

Plucky mum needs surgery to remove sex toy from her bum!

A BIT of playful slap'n'tickle ended in a trip to the hospital for a Pommy teacher, and emergency surgery to remove A SEVEN-INCH VIBRATOR that was stuck in her BUTTHOLE.

Single mother **Emma Phillips**, 24, was enjoying a bit of BUM SEX with her partner Lee when the sex toy "disappeared" up her anus.

He spent an uncomfortable hour trying to remove the vibrator with a fork and BBQ tongs.

But when that failed, Emma knew they had no other choice: "I had to make the most embarrassing call to the ambulance at 7am. The call handler said, 'Tell me exactly what the problem is,' so I had to tell him."

After arrival, doctors quickly agreed that surgery was required. Luckily, the 90-second procedure was a complete success and the wayward sex toy was removed.

Emma says she'll be "a bit more careful in the future," although Lee "thinks it's funny".

We reckon she should jam one up HIS ARSE and see if he finds it funny after that. *People*

BEDDED BLISS

Queen OF SEX!

She's married, but don't think that's reduced Anikka's love of rooting!

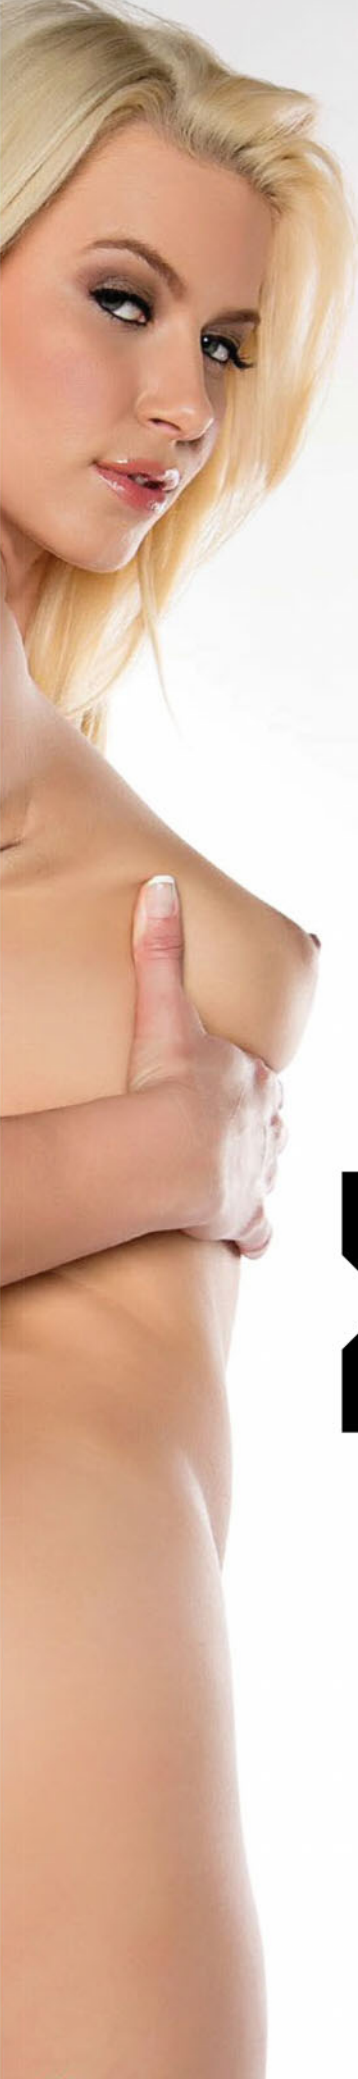

IT'S comforting to know that marrying woodsman Mick Blue hasn't cramped **Anikka Albrite's** sexual style one little bit. The shag-mad **ADULT FILM GODDESS** still needs to scratch that **CARNAL ITCH** on a daily basis. If anything, the 28-year-old Denver native has turned things up a notch, as she explains in the following interview.

WHAT'S the hardest thing about being married when you're both in the jiz biz, Anikka?

"Sometimes we'll have sex in the morning and I love it when Mick cums inside me. But he can't 'cos he has to go do a scene and save it. So that's frustrating." ►

**'I GET OFF
HAVING SEX
IN PUBLIC
PLACES'**

► **How about KNOWING that he's banging other chicks on the set?**

"I've been there sometimes when he's worked with other women. And I enjoy watching him have sex...IT TURNS ME ON. It doesn't bother us. We're very monogamous. We don't fool around with other people outside of work."

Thankfully, marriage hasn't ruined your desire to fuck anything that moves in your flix. What gets you off, matey?

"Everything! I like choking, spanking, pulling hair...even spitting. I also really like smells and taste. I love licking the sweat off my partner during really intense sex!"

Wow! Anything else?

"I get off on having sex in public and in crazy places. Recently, I had sex on a plane while the passenger next to me was sleeping. It was great! I pulled up my dress and Mick SPOONED me while we were right there in our seats. The guy next to me never said a word!"

You and Mick root professionally as well as off camera. What's the difference between the two?

"Off-screen, we don't have to do a set

'I LOVE WHEN MICK CUMS INSIDE ME'

amount of positions...it doesn't matter. We also do kinkier stuff at home as compared to what we do on-screen."

Sounds intriguing. Got a fave possie, mate?

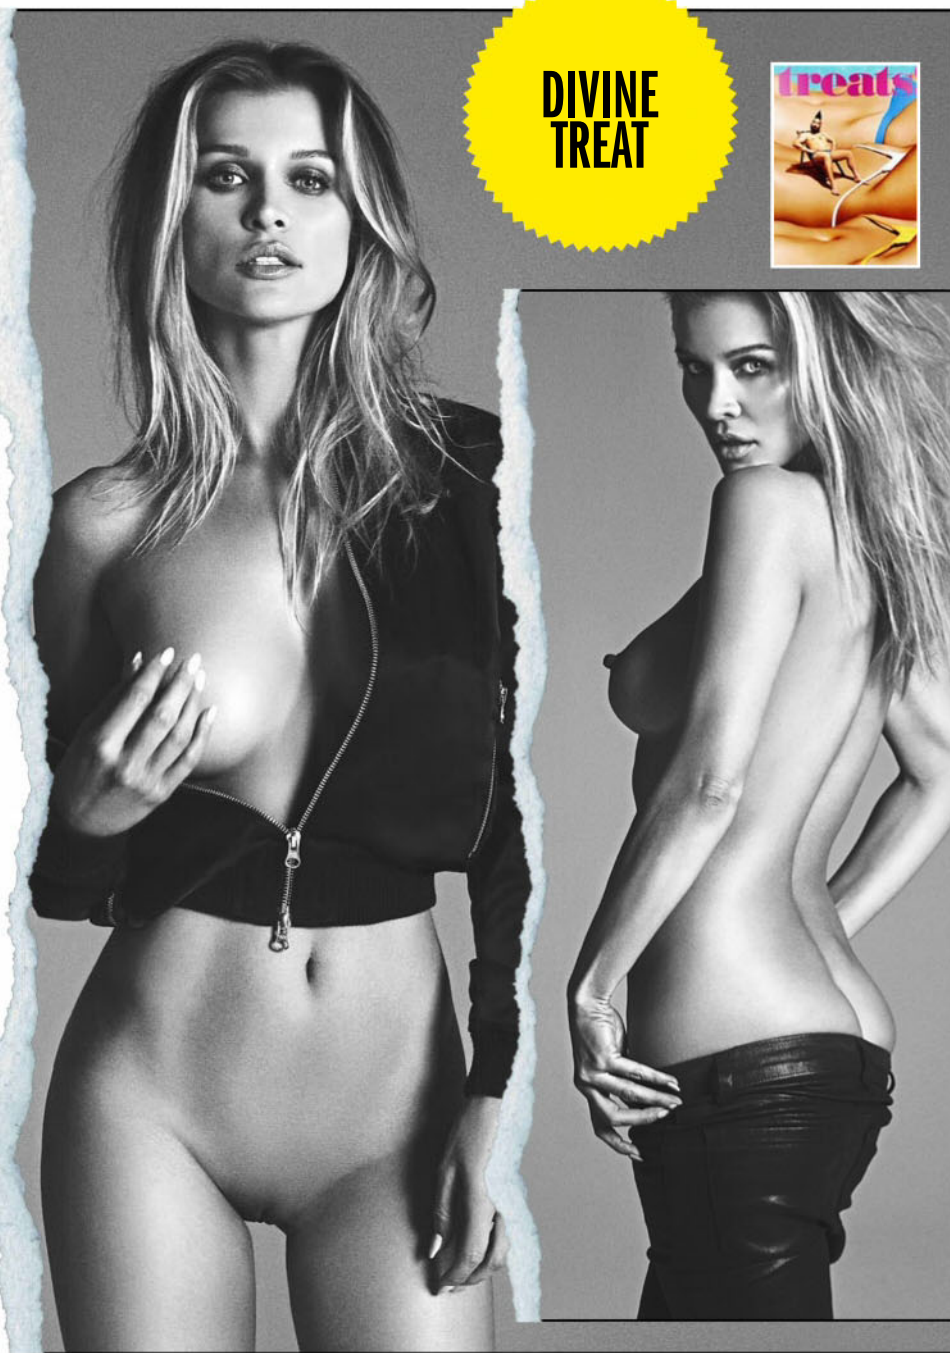

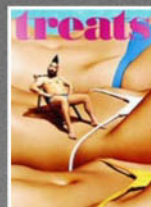

"If you want to try something a little different, I recommend up-and-over piledriver. It is so amazing getting filled up completely and POUNDED in this position. There's nothing else to do but hold onto something and enjoy the ride! Many times I BITE MYSELF 'cos the penetration is so intense...I kinda lose it and turn into an animal!"

Your butt is incredible.

"I love my bum and curves. I've found many people love them, too!" 

**DIVINE
TREAT**

JO DOWN BELOW

THE last time we saw this much of Polish pin-up/reality television totty Joanna Krupa, 37, was...BLOODY NEVER! So give praise to the pagan love god Warney. And to the cunning folks at Treats! magazine who convinced Jo that jackets and jeans are best worn on their lonesome. Lordy, she's smoother than a frog's hair.

NOVELA SWELLER

GIFTS OF THE GAB

OVER in Latin America, they refer to TV soaps as *telenovelas*. So whadda they call soapie actors like Mexico's **Gaby Ramirez**? They call 'em FUCKIN' SPUNKS, readers! As will you after checking out the October Mexican *Playboy*, in which 37-year-old Gab does the biz. The shoot has a ballet theme for some reason. Dunno why. We'll research it after we finish the dance of the burping worm.

FAIRER SIX

TOTAL HOTTIES

WHEN the makers of a university comedy recruit nutjob comedian Tom Green to play the dean, you know they're going all out. The folks behind *Total Frat Movie* haven't skimped on skin, either, hiring (clockwise

from top left) **Audrey Ferron**, **Eva Avila**, **Rachel Van Dijk**, **Jen Krukowski**, **Olivia Nowak** and **Katie Buitendyk** in roles that require flashing their STUDENT BODIES. Education is a wonderful thing.

BRA-FREE GIGI

POKING 'ROUND TOWN

STAR model **Gigi Hadid** is always out there, hustling. Same goes for the 21-year-old's hard-working PINK POINTERS. Not that we can appreciate their rosy hue in this particular paparazzi snap-arazzi taken recently in Noo Yawk, though their presence is certainly being felt. Or would be, given HALF A CHANCE.

SHARING THE LOVE

The freshest flesh on celebrity social media

Kylie Jenner, the youngest member of the curves-blessed Kardashian clan at 19, has a booty to rival that of half-sis Kim. And doesn't she KNOW IT.

Aussie acting export **Caitlin Stasey** goes where her free spirit takes her – in this case, in front of a camera for a PUPS-OUT pic with her pooch.

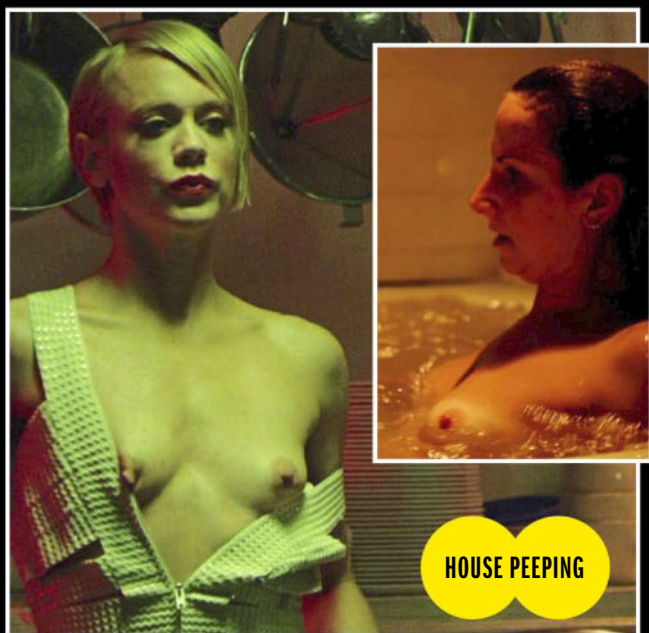

FULL FRONTAL

BAPPY HALLOWEEN!

SAUCY DEMON

A BRAIN-BENDING chiller set in the modelling industry, current cinema release *The Neon Demon* features 31-year-old actrice **Jena Malone** as a trendy make-up artist who carries out her YARD WORK topless. Fair enough – so do we. All she's missing is the stubby of beer and terry towelling hat. Or are those suddenly outta fashion?

THE AMITYVILLE TITS

THE sixteenth instalment in the based-on-a-not-true-story film series, *The Amityville Terror*, has been gleefully ripped A NEW ARSEHOLE by critics online. Still, it does at least stock its clichéd haunted house with BARES as well as scares. **Amanda Barton** (above right, and also the writer!) and **Tonya Kay** are easily the BREAST things about the flick.

MISTRESS OF THE...FARK!

YANK horror hostess Elvira – real name **Cassandra Peterson** – has lost none of her sauciness at 65, as demonstrated by this recent LIP SLIP. Leading up to Halloween, the “Mistress Of The Dark” is performing in a spooky musical at California’s Knott’s Berry Farm theme park, which transforms into Knott’s SCARY Farm for the season. Elvira’s stage show apparently happens TWICE NIGHTLY. Hehe...we bet it does.

RUSSIAN DOLL

OK? SHE'S AWESOME!

MEET Russia's **Olga Kobzar**, 25, one of those ultra-rare glammas able to project CUTE, BEAUTIFUL AND SEXY in every photo. Whether that's in US publication *Some* (below) or Portugal's *Insomnia* mag (bottom), OK's sweet face and incredible 35-24-36 figure are bigger head-turners than that chick from *The Exorcist*.

HELLO, I'M...

LYRA LAW

HER name rolls off the tongue – Lyra Law – and no doubt she would, too! The Seppo stick-flick siren has racked up more than 20 DVDs (as opposed to just web scenes) in her first year of doing the HORIZONTAL FOXTROT on fillum. Not even The Rock puts out movies that damn fast! Titles you may wish to investigate include *Lesbian Romance 3* and *Mean Bitches POV 11*. Or you could skip those and PLUNGE straight into *Tight Anal Sluts 2*.

TOP TITS

ARE THESE AUSTRALIA'S BEST BOOBS?

We'd pay good money to grab them beauties!

WE'VE seen some breathtaking bosoms over the years – all the way from perky ones that resemble RIPE AVOCADOS to sprawling suckables that remind us of BIG BOWLS OF JELLY!

But on these two pages we may have just encountered the VERY BEST GAZONGAS this sun-kissed country has to offer!

Surfers Paradise spunk **Sapphire** thinks so and she's OK with guys copping a feel if they need convincing.

"It's called SAMPLING THE GOODS!" the

21-year-old laughs. "After all, the eyes only tell you so much. Give mine a squeeze and you'll have to agree with me that they are PRETTY SPECIAL."

You might wanna offer the cash-strapped uni student a donation beforehand, but: "I was wearing a bikini top while standing outside McDonald's one night – SHITFACED – when a guy came up and asked if he could fondle them. He even offered me \$50 for the privilege.

"At first, I was shocked, then I thought, 'Why the fuck not? I've got bills to pay.'

So I pulled down my bikini top and let him have a play, then his mate asked if he could as well, so I scored a cool \$100."

And what did these gentlemen think of the young lass's plapps?

"They both said they were the greatest breasts they'd ever seen or felt. I won't argue with them."

Neither will we, babe! 

Does Sapphire have the finest funbags in Oz? Write in to *Animal House* and give us your opinion. We'll pay a lobster for any letter that gets published!

**'A BLOKE
OFFERED ME \$50
TO FONDLE THEM'**

SPILL THAT DNA

LIKE a bit of storyline with your dick-noshing, poontang-ploughing action? Then you'll dig **DNA**, a futuristic thriller that'll make you think AND randy. A company can use DNA samples and cutting-edge tech to bring dead folk back to life, allowing loved ones a chance to properly say goodbye. Or – 'cos it's a stick flick – to give them a damn good DICKING.

Business is booming and everyone's happy – and happily fucking – including company vice-prez Lidia (**Jessica Drake**). But one of the clones, Kayla (**Asa Akira**, right), learns she's been brought back to life by Miles (**Small Hands**), the guy who KILLED her in the first place.

The chase begins as Kayla tries to find out why she was revived while Miles attempts to get his hands on her again, and not just for sexy purposes.

Faaaaaaaark. Sounds like a great fillum – but we sure hope the plot doesn't get in the way of some RED-HOT ROOTING FUN!

On a sidenote, we've finally worked out how Small Hands got his name. When chicks hold the woodsman's willy – such as Asa in their searing encounter – their hands look positively TINY gripping that GIANT SCHLONG.

He's like the Godzilla of porn cocks.

BEAR-LY SOBER

THEY say weird stuff is just **NORMAL STUFF** in Tokyo. Which is maybe why the locals didn't bat an eyelid when the delinquent teddy bear from the movie *Ted* opened **HIS OWN BAR!** Hell, if toy bears can appear in pornos in the Land Of The Rising Sun (and they can), then we don't see why *Ted* can't run a boozer. He probably needs a few Sapporos to keep his strength up after ploughing all that Japanese pussy.

EAT SHIT

JUST when we'd almost given up on our dream of eating in a TOILET-INSPIRED RESTAURANT, an enterprising Canadian goes and opens the Poop Café, aka "Toronto's First Toilet Themed Dessert Bar". Uncanny! Customers sit on toilets and eat from bowls that also resemble dunnies, while the menu includes such crap items as TURD-SHAPED WAFFLES and drinks served in MINI-URINALS. Owner Lien Nguyen says her goal is to "make poop cute".

FUCK-OFF FACTS

- The teddy bear was created at the same time – by coincidence – in 1902 by toymakers in America and Germany. The Yank version was named after US President Theodore "Teddy" Roosevelt.
- Shit-themed restaurants have actually been around for a while. Modern Toilet is an Asian restaurant chain that opened its first branch in Taiwan in 2004. It was inspired by a Japanese cartoon about a robot who loves to play with poo.

Higher! Higher!
No...wait, that's
TOO high!

BEST SEAT IN THE HOUSE

ONLY a madman – or a member of the Red Bull Skydive Team – would plonk his arse on a seat attached to a 150m-long rope hanging from a hot-air balloon TWO KAYS above the ground. A team spokesman said they were inspired by childhood swings but wanted to “go bigger”. We think they succeeded, readers!

SWELLNESS

FIT AS FUCK

These healthy hotties will give
your eyeballs a work-out!

Fitness experts say an intense boxing work-out can burn 750 calories in an hour, compared to a vigorous 60-minute SEX SESSION, which will only burn around 300. Hmmmm...we'd rather be a bit fatter but a lot happier!

AS WE all know, it's rude to stare at strange ladies at the gym. Besides making them feel uncomfy, it could see you politely asked to leave the weight room – and then how are you gonna build those SLEEVE-BUSTING BICEPS? However, it's a very different story when the chick WANTS you to watch her exercising her fine body, as is the case with all of the X-rated exhibitionists in this story. Then you can stare till it hurts. Don't forget to drink a PROTEIN SHAKE afterwards so your eye muscles grow to twice their original size. Erm...possibly.

These days, kettlebells (see graphic above) are in almost every gym. They COME FROM RUSSIA, where the "cannonball with a handle" weights are known as *girya* and measured in *pood* (units equal to 16kg). We once pooded ourselves when we tried to lift one.

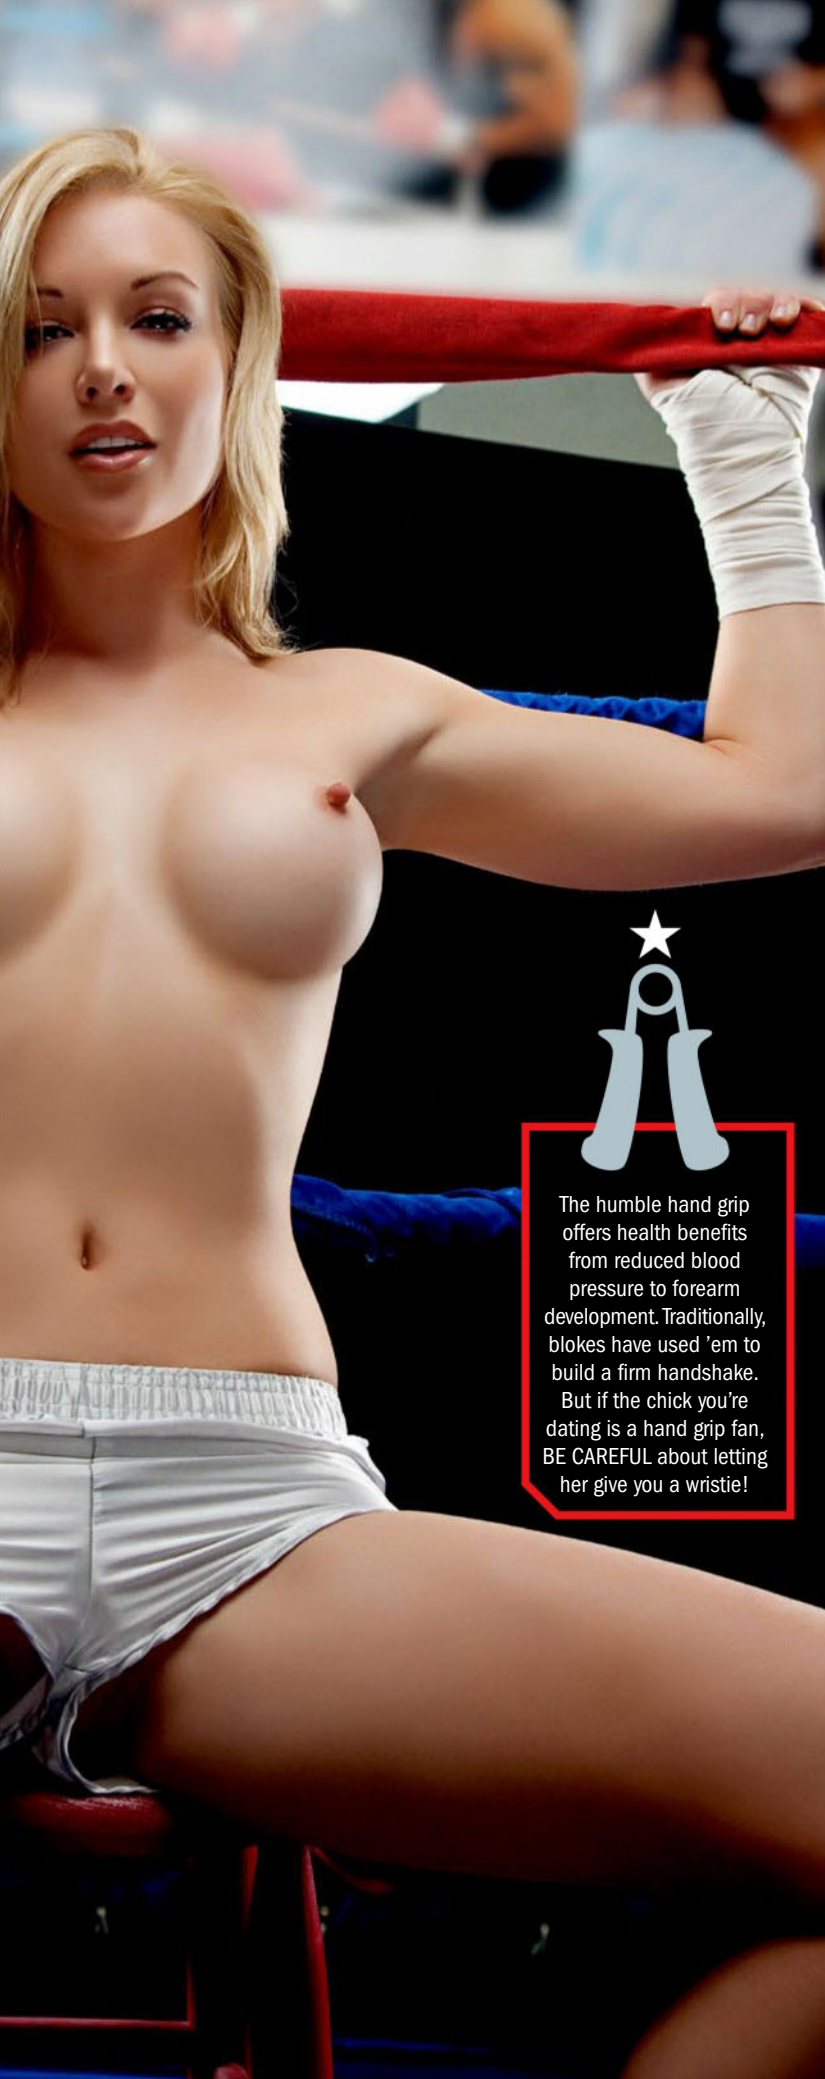

Tennis was originally done exclusively indoors, where participants could also USE THE WALLS. It wasn't till the invention of the lawnmower in the 19th century that folks moved the action out to nicely trimmed lawns. Sorry, did we say tennis? We meant rooting.

As well as being an awesome cardio work-out, skipping's an internationally contested sport with a host of SUSS-SOUNDING techniques that include the Leg Over, Straddle, Caboose and Awesome Annie. We're not making this stuff up!

The **CLEAN AND JERK** involves moving a barbell from the floor to a rack position, then above the head with the body stiff. The **JERK AND CLEAN** also involves a bar, racks and stiffness – plus a freshly laundered wanking towel.

The humble hand grip offers health benefits from reduced blood pressure to forearm development. Traditionally, blokes have used 'em to build a firm handshake. But if the chick you're dating is a hand grip fan, BE CAREFUL about letting her give you a wristie!

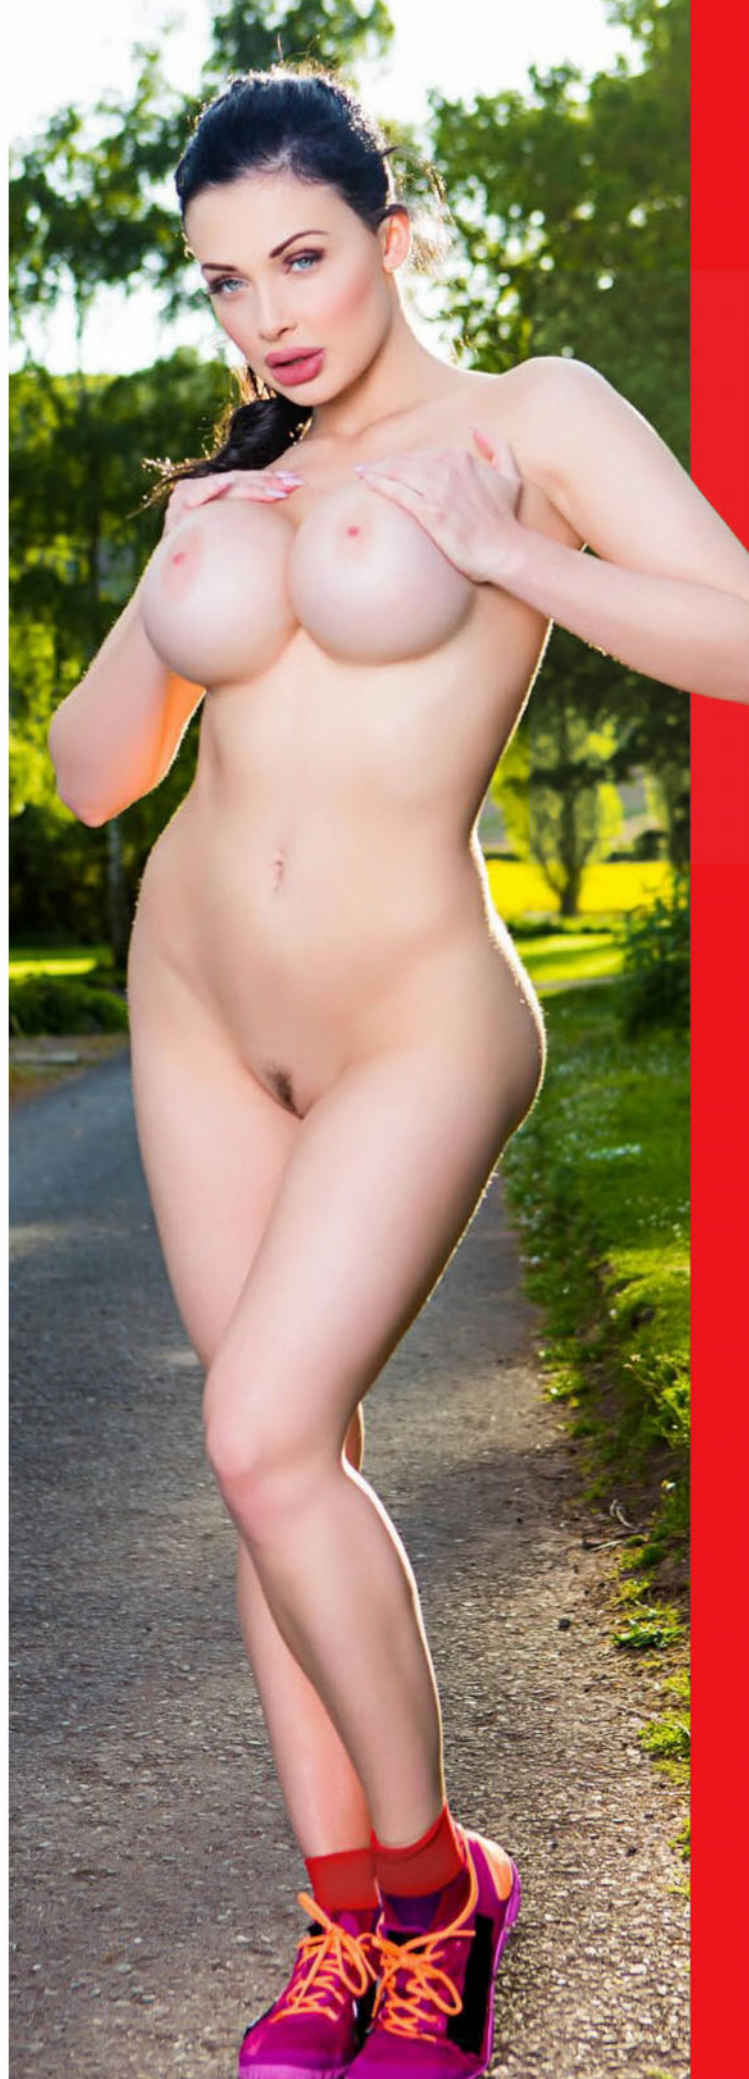

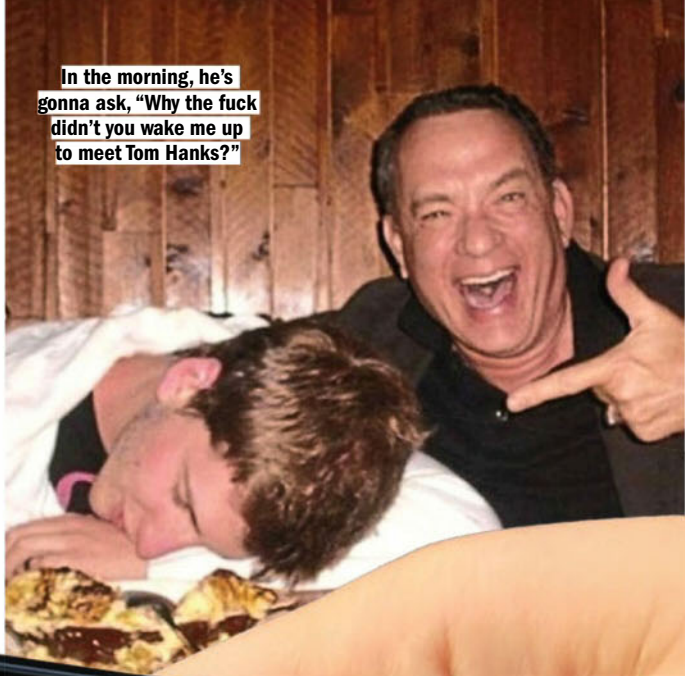

PHOTO FUNNISH

Don't be sad, mate...
you're watching porn
star Carter Cruise
get her lesbo on!

DO YOU remember that time with your Uncle Barry? You went to take a few happy family snaps and he snuck into the background, pulled down his daks and MOONED the camera?

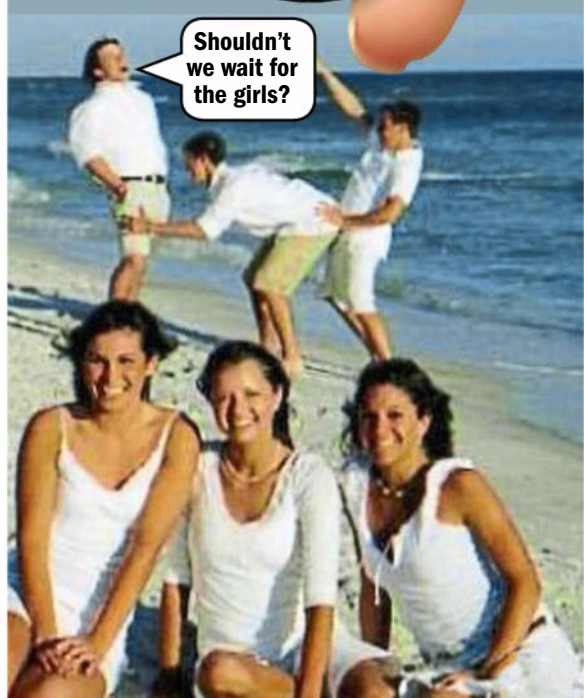

Yeah, great way to ruin those christening photos, ya cunt.

Still, in an odd way, you can't blame Barry for baring his arse.

Y'see, **PHOTOBOMBING** is a time-honoured tradition, not only in Oz but around the globe.

And it isn't just regular drunks getting their ugly mugs (and other body parts) in the frame.

Being photobombed by slebs such as Tom Hanks and Arnold Schwarzenegger? Fark, it's almost worth having a lasting memory ruined, right? **REND**

KIT-OFF KATY?

NEAR MISS

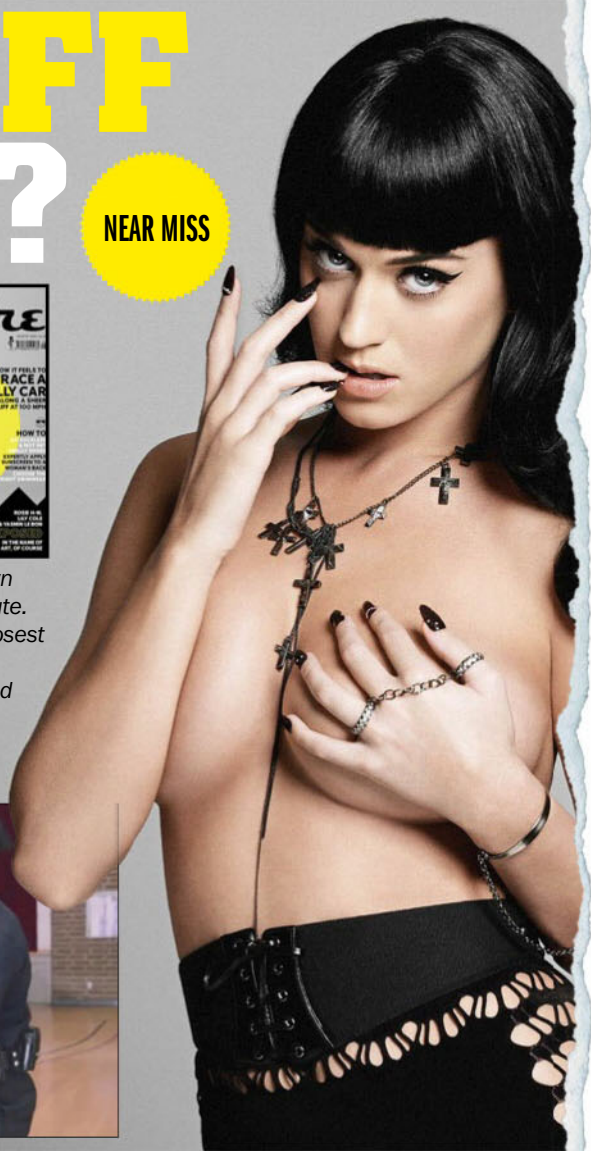

I RECENTLY saw a comedy video where Katy Perry, while encouraging Yanks to vote, got carted away from the polling booth for STRIPPING NAKED. It was blurred, of course, but it left me wondering if the honey has ever posed nude. Yay or nay?

Shaun, Vic

For those who missed the vid, it was done for comedy site Funny Or Die (funnyordie.com). Alas, Shaun, Ms P. has

never gone down the glamma route. Probably the closest she's come was a titillating "hand bra" shoot for the Aug. 2010 UK Esquire.

SEXY CHANGE

LOLLIPOP STARS

WHEN I was a kid, roadwork traffic controllers were usually big, burly dudes who looked as if they wouldn't take shit from anyone. Nowadays – at least in Sydney – it seems like most of 'em are ATTRACTIVE YOUNG WOMEN. Or am I going mad?

VJ, NSW

No, we've noticed that as well, VJ. Maybe it's because the big, burly dudes are now busy fighting in MMA tournaments. Or perhaps there are just heaps of bosses who enjoy hiring attractive young women!

FUELLING DEBATE

MONSTER MILEAGE

PLEASE settle a PUB ARGUMENT – what's the fuel economy of a typical monster truck? The opinions at our table ranged from a surprising number of kays per litre to a bloke who said it wouldn't even be one kilometre! (No money riding on it, just bragging rights.)

AA, Tas

It's hard to find a DEFINITIVE ANSWER to this on the interdump, AA. Obviously there's a fair bit of variation between the truck engines, etc. That said,

we did see a lot of folks quoting amounts of around three kilometres per litre. Let's go with that figure for now, OK?

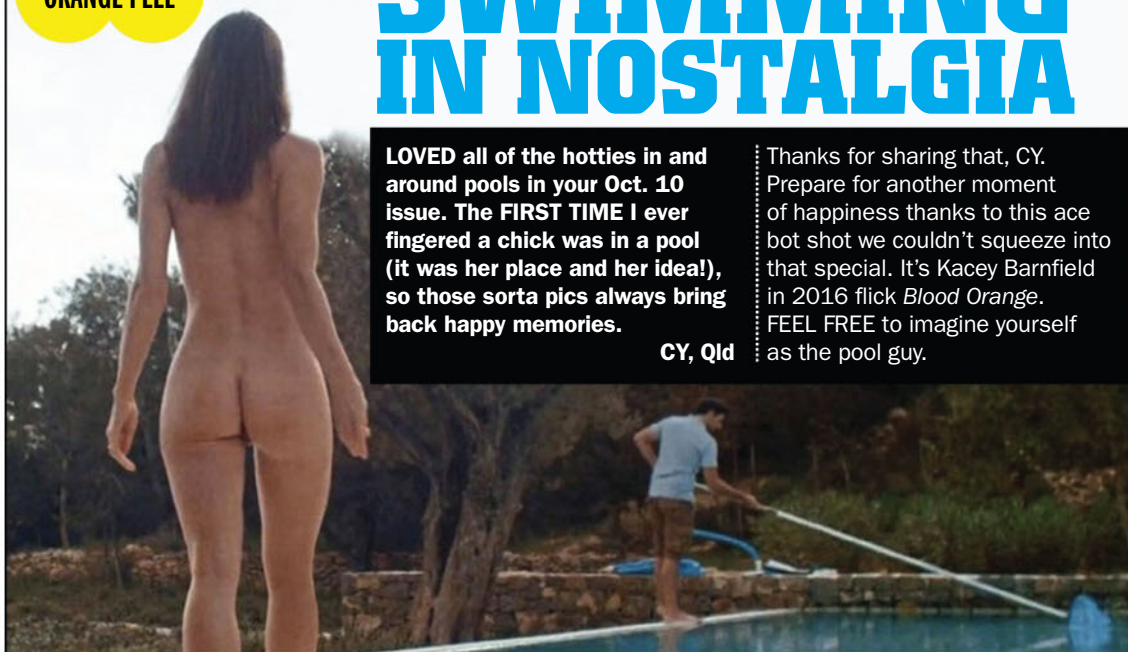

ORANGE PEEL

SWIMMING IN NOSTALGIA

LOVED all of the hotties in and around pools in your Oct. 10 issue. The FIRST TIME I ever fingered a chick was in a pool (it was her place and her idea!), so those sorta pics always bring back happy memories.

CY, Qld

Thanks for sharing that, CY. Prepare for another moment of happiness thanks to this ace bot shot we couldn't squeeze into that special. It's Kacey Barnfield in 2016 flick *Blood Orange*. FEEL FREE to imagine yourself as the pool guy.

FAKE TRACKS

SOGGY MAYHEM

WHAT'S your favourite fictitious band from a movie or TV show? Mine's The Soggy Bottom Boys from 2000 Coen brothers film *O Brother, Where Art Thou?*. All of these years later, I still

give their songs the occasional spin. *I Am A Man Of Constant Sorrow* is the best.

Kel, Qld

Good call, Kel, but we can't go past the *HOUSE* band with the crazy drummer named ANIMAL – Dr Teeth And The Electric Mayhem from The Muppet Show.

Spunk gets nekkid as part
of anti-porn crusade!

LUSTY **Pamela Anderson** – a former *Baywatch* bikini babe, *Playboy* Playmate, sex-tape goddess and WET DREAM MATERIAL for a generation of blokes – has nudged up again in new fillum *The People Garden*. And we must say that the 49-year-old Canadian sex symbol still looks amazing.

Ironically, Pammy got starkers at the same time she co-wrote an article in *The Wall Street Journal* with Rabbi Shmuley Boteach titled *Take The Pledge: No More Indulging Porn*.

In the piece, they talked about porn's "corrosive effects on a man's soul and on his ability to function as husband and, by

extension, as father". They added that whacking material was "a public hazard of unprecedented seriousness".

And we agree 1000% with Ms Anderson and the bloke wearing the funny hat.

We promise to cease looking at that filth RIGHT NOW...

Once we've stopped BASHING THE BISHOP over Pam's wet topless scene from *Barb Wire*... and that scrapbook we have of her hundreds of nekkid magazine spreads...and that video where she sucked on Tommy Lee's schlong...and that other sex tape she made with Bret Michaels...

Hmmmmmm...we could be a while. We'll get back to you on the whole pledge thing.

Cap in hand

IT'S Mick's 90th birthday, so he and his son celebrate at the pub. Mick says he'll pay for all the drinks and tells the barman, "We'll have two pints of Guinness."

The barman serves them and asks for \$20, whereupon Mick hands over a couple of bottle caps.

This outrages the barman, who demands, "What the hell?"

The son takes the barman aside and explains, "Look, it's Dad's 90th birthday, so just humour him. Allow him to keep paying with bottle caps and I'll fix you up at the end of the night."

The barman reluctantly agrees and Mick goes on paying for expensive drinks by throwing bottle caps onto the bar.

At the end of the night, father and son are walking out the door when the barman yells, "Come back here!"

"What's up?" asks the son.

"I've still got all these bloody bottle caps and you said you'd fix me up at the end of the night."

The son says, "Sorry, I've had a few too many myself and I forgot. How much do I owe you?"

The barman checks his receipts and says, "It's \$520."

"No problem," says the son. "Have you got change for a manhole cover?"

Watch him, he's sharp

ONE night, a passer-by sees a drunk on his hands and knees beneath a street light, frantically looking for something.

"What did you lose?" he asks.

"My watch," slurs the drunk, without looking up. "It came off when I fell over and now I can't find it."

The passer-by joins in the search, but there's no sign of the watch.

"Where exactly did you trip?" the passer-by eventually asks.

"About half a block that way," points the drunk.

"Then why on earth are you looking for your watch here?"

"Because the light's a lot better."

Epic fail

INSTEAD of studying for their exam, four uni dudes spent the night at a party thrown by some female friends.

The next morning, they waited until they knew the test would be nearing its end, then made their way to class with grease smeared on their hands.

The exam was almost finished when the quartet burst into the room.

Loves the taste

ONE of the regulars was upsetting the barmaid. She told the publican, "I don't like it when he comes in after work."

"Why?" he asked.

"He orders a beer, drinks it, screws up his face, slams the glass down on the bar and yells, 'Piss!' He then storms out. He does it every night."

"Well, you point him out when he next comes in," said the publican.

The next evening, the fella arrived and the barmaid pointed him out to the publican, who walked up to him and said, "Oi, you! Piss off!"

"OK," the fella replied, "give us a small Scotch then."

"We're really sorry," their spokesman told the professor, "but we had a flat tyre and, as you can see from the state of our hands, we've been struggling to change it. Could we possibly take the exam later?"

The professor said he was not an unreasonable man and would allow the four to sit the test the following day.

Making the most of their extra revision time, the lads studied hard until they were confident they could pass the test.

On arrival, each was sent to a separate classroom for the test, which consisted of two questions. The first question, worth five marks, was easy. The second question, worth 95 marks, simply read, "Which tyre?"

A DRUNK was staggering down an alley carrying a box with holes on the side.

He bumped into a friend, who asked, "What do you have in there, mate?"

"It's a mongoose," the drunk replied.

"What have you got that for?"

"When I get drunk, I see snakes, and I'm scared to death of snakes. That's why I got this mongoose, for protection."

"But," the friend said, "that's stupid! Those are just imaginary snakes."

"That's OK," replied the drunk, opening the empty box. "So is this mongoose!"

Burning need

WITH his wife out for the evening, a father was trying to catch up on his fave telly shows, but his young son kept coming in and asking for glasses of water.

After the seventh glass, the father lost his temper and yelled, "Go to sleep, I'm watching TV!"

"But Daddy," the boy protested, "my bedroom's still on fire."

JAZZ | THE LAND DOWN UNDER! | LOCAL FOCAL, NOV. 28, 2011

FEMME FACTS

PARTY animal Jazz told us the biggest beano of her young life happened when she turned 17: "It was pretty wild. There were more than 200 people at my house. The police dog squad turned up 'cos gangs from other schools started fights and stuff." But we reckon she enjoyed her 18th more: "I got a Mazda RX7, so that's probably my best present."

THE PURGE: ELECTION YEAR

Universal Sony, rated MA, out Oct. 26, RRP: \$34.95 (DVD)/\$39.95 (Blu-ray)

What's the guts? Future America is a pretty cool place to live...except on Purge Night. All law-breaking is legal, including murder, during this annual event sanctioned by the government. Purge Night helps the population release their tensions and bad intentions in an orgy of violence. In the midst of a presidential election, an anti-Purge candidate, Senator Charlie Roan (Elizabeth Mitchell), is betrayed and abandoned on the streets of

Washington DC as Purge Night begins. She and her head of security, Leo Barnes (Frank Grillo), must try to survive the next 12 hours where there is no law and no-one to help them.

Anything else? This is the third instalment of the chilling *Purge* series and sees the return of Grillo from *The Purge: Anarchy*. Director James DeMonaco said he timed this film to come out during the current US election, but Liz is a helluva better looker than Hillary Clinton. And with better hair than Donald Trump.

Final word: These big nights out will be the death of you.

THE purified souls at Universal Sony have sent us FIVE DVDs for this contest. To win, just tell us **IN ONE SENTENCE** who'd make a good US President (other than the ones currently on offer). The five best answers will score a DVD. Mark your entries "The Purge: Election Year comp".

The Last Crocodile Hunter

By Bob Irwin
Allen & Unwin, out now,
RRP: \$32.99

What's the guts? How did Steve Irwin become the unconventional-but-beloved conservationist that grabbed the world's attention? It goes back to his dad Bob, a former plumber who became a conservationist and inspired his son to follow in his footsteps.

Anything else? *The Last Crocodile*

Hunter explains the remarkable relationship between Bob and his famous son Steve. Talking to

co-author Amanda French during a 20,000km road trip around Australia, Bob opens up and reveals many heart-warming and just plain hilarious tales that helped shape Steve's outlook on life. Ten years after his tragic death, this book is a fitting tribute to

both men.

Final word: A wild life!

WIN!

WE'RE giving away THREE copies, thanks to our mates at Allen & Unwin. To enter, just tell us **IN ONE SENTENCE** a fascinating croc fact. The three most educational answers will get a book. Mark your entries "The Last Crocodile Hunter comp".

Mount Buggery To Nowhere Else

By Eamon Evans
Hachette Australia, out Oct. 25,
RRP: \$29.99

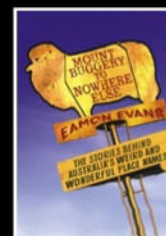

What's the guts? Travel about this wide brown land for long enough and you'll come across some genuinely head-scratching and hilarious place names, like Intercourse Island, Die Hill, Cockburn, Eggs And Bacon Bay and Nhill. This book reveals the fascinating stories on how these towns and other geographical locations received their odd names.

Anything else?

How did we come up with Bong Bong in NSW or Loos in SA?

Eamon Evans is an experienced author and journo who gives us the lowdown, including why an explorer handed a spot in West Oz the extremely rude name of Scented Knob. Maybe the explorer was Benny Hill?

Final word: Geography has never been so funny!

WIN!

WE'RE giving away THREE copies, thanks to our mates at Hachette. To get yours, just tell us **IN ONE SENTENCE** the town you've visited with the strangest name. The three wackiest answers will get a book. Mark your entries "Mount Buggery comp".

► TELL us about your first handjob experience, Cara.

"I was 18 and watching something at the cinema with a guy. We'd been dating for a month, so we were fooling around in all sorts of places."

Do go on.

"The cinema was totally packed so we couldn't have sex, so I pulled out his willy and gave him a handjob instead. It was the first time a guy had cum for me somewhere OTHER than in a condom. When he blew I was, like, HYPNOTISED by it. I guess I was proud that I'd made it happen."

Hadn't you seen the stuff when giving blowies?

"I'd gone down on a guy, but I'd never made him orgasm. I didn't have the patience. But after the cinema thing, I gave that guy a gobbie until he blew – this time in my mouth. After that, I went crazy – I'd give him head and demand he ejaculate on my tits, neck and face...I LOVE it on my face."

Some chicks we've talked to enjoy it, too. Why's that, you reckon?

"It makes a good girl feel like a bad girl – which is fun sometimes – and let's not forget about the anti-ageing benefits of jism. I also enjoy it when some of the spooof trickles into my mouth. It tastes yummy."

Have you shared this intimate info with your girlfriends?

"I only revealed it after another friend admitted to rimming a man's arsehole while using a mini-vibrator on him. I thought, 'If THAT'S what others get up to behind closed doors, then I can tell people what gets ME off.'"

Have you ever seen a gal squirt?

TRUE BLUE CONFESSIONS

TWICE a year I go to Melbourne and go hard at the casino for the evening. My recent visit was a RIPPER and I even scored a root out of it.

It all started at the pokies where I was playing 5c spins to loosen myself up before hitting the tables. After finding myself \$4K up, a gal across the table caught my eye and I offered to buy her drinks for the rest of the night.

"Where you staying tonight?" the white-dressed temptress eventually asked.

"At a nearby hotel, but I reckon I'll take a room here at the casino now I'm up. You keen?"

Too right Amy was, so I cashed in my chips and off we went to get a room.

"You ever stayed in one of these joints before, love?" I asked nervously. "They're pretty swank!"

"Uh-huh..." she replied while slipping off her dress to reveal the BEST fakes I had EVER seen.

"PHWOOOOAAARRRRRRRR! Let's have them, then!" I said

WINNING BIG

while hopping into the bathtub. I soaped up her chebs and played with them.

I'd only seen plastic pups at strip clubs so they were a JOY to handle.

Amy's hand slipped under the water to HANDLE MY SWELLING STIFFY. She leaned back and

**'I FUCKED HER
CLEAVAGE
REAL SLOW'**

pushed her tits together as if to say, "It's bunny-rubbing time."

I reached over for a small bottle of shampoo and squirted the contents all over her norks.

Next, I mashed them together and gently pushed my tocko between that valley. I fucked her cleavage real slow at first, then

upped the pace until water was splashing everywhere.

Finally, Amy spun around and we did it doggy style in the bath. I half-expected her to give me her GOING RATE afterwards... but she never did, so I didn't even lose money on the SEX!

CLARE'S PAIR

I GOT a job that requires inspections every two months. Rumour had it the main job perk was 40-something inspector Clare who had the juiciest pair the other blokes had ever seen.

I met the blonde MILF the following week when she visited the site. I was so bloody mesmerised by them, that I straight-out asked her for a FRIENDLY FEEL.

"Goodness, Mitch, are you always this outspoken?"

Taking off my hard hat I replied, "Only when I need to be, ma'am."

"You're lucky I don't report you to HR," she said...but quietly texted me her address before she left, telling me to come over at 8pm sharp.

That night, Clare met me at the front door with her HUMUNGOUS ORBS pointing

'CLARE SQUIRTED BABY OIL ON HER TITS'

right at me through a sheer top. She led me into the living room and placed my hands on them, moaning as I gave them a play.

"Do you want to put your dick between them, Mitch?"

I nodded excitedly, and watched as Clare squirted baby oil on her plapps.

I slid my rigid baby-maker between them and humped for all of one minute, before shooting a HOT LOAD.

Yeah, my new job's alright!

Mitch, WA

LORD, I'VE SINNED

YOU don't expect to GET LUCKY on a bible study camp, but that's what happened to me. I've never been super-religious, but I was going through some tough times and the people involved were really nice.

Sindy was particularly lovely and had luscious COCK-SUCKING LIPS, too.

We'd been paired off to study a passage together and talk about what it meant.

The camp was being held at a convention centre in the country, where there was plenty of room for everyone to spread out.

With none of the other couples nearby, Sindy and I drifted away from discussing the good book onto the subject of relationships.

It turned out we'd both had a lot of failed ones.

I felt like there might be a bit of a spark between us, but I

'SINDY KEPT URGING ME ON THE WHOLE TIME'

wasn't sure. Not until after dinner that night, when Sindy asked if I wanted to go for a walk in the moonlight.

We ended up down by an artificial dam. It doesn't sound romantic, but it seemed nice enough sitting with Sindy on the bank. She was slim with long legs and flowing blonde hair.

As we chatted, I put my arm around her and she didn't pull away. In the middle of me saying something spiritual, she went in for THE PASH. Things got heavy pretty quickly.

I pulled out a franger and Sindy laughed, "What?! You brought CONDOMS to a bible study camp?!"

Man, she was an INTENSE ROOT – she kept urging me on the whole time, pulling me into her and telling me how good she felt.

It was hard not to blow my wad like a TWO-PUMP CHUMP, but I did my best.

We managed a sly root on the second night of the camp as well, this time standing up in a storage shed. And we never got busted!

Before you condemn us for sinning, I can reveal Sindy and I are now engaged to be married. The big guy upstairs works in mysterious ways!

DINING OUT FOR THE NIGHT

I DECIDED to try my hand – and lips and FANNY – on chicks after having back-to-back shithouse relationships with blokes.

I hung out with women all the time so the only bit that made me nervous was finding one willing to EAT MY PUSSY and shove a thick dildo UP MY PUCKERED ARSEHOLE.

That's where my lezzo mate Sam stepped in.

She'd been out and proud for years. So when I told her at work about my dream of trying a...NEW DIRECTION, she gave my knee a squeeze and said she'd pop over to my flat that night with Thai food, two bottles of wine and a movie.

After polishing off dinner and the booze while watching the movie – a LESBIAN PORNO,

by the way – I was feeling pretty tipsy and VERY HORNY.

Sam placed her hand on my thigh and worked it towards my ALREADY-WET PUSSY.

She was soon thrusting THREE FINGERS in and out of my cunny like a piston.

I was about to lose it, so I begged her to TONGUE MY SLIT. We stripped naked and I pinched my nipples while Sam GAVE ME A GROWLING while squeezing and caressing

'I PINCHED MY NIPPLES WHILE SAM GAVE ME A GROWLING'

my butt cheeks. Eventually, I was confident enough to get into a 69 possie where we both came three times.

And before the night was out, Sam had used a dildo, then FISTED MY BUMHOLE till I screamed my way to a FOURTH ORGASM!

Dunno if I'll go full-time lezzo forever, but for now it's fucking sweet. My anus is seeing plenty of action, too.
